What a difference a day makes
Death is one thing that you cannot predict, prevent, evade, or avoid.

What you can do, is enroll in a 100% Free membership with Legacy Assurance.

Why Enroll?

It’s simple: our members benefit from the following:

**THE CONCIERGE SERVICE**
Planning a funeral for a loved one in just a couple of days can be very stressful. The family already has to deal with the emotional side of losing someone, and adding funeral plans on top of this can make for an extremely stressful time. That’s why we developed a concierge service that will aid in negotiating the cost of the funeral for the member’s family. Our experienced team will do their best to get the best price available and aid in any other way possible.

**ACCESS TO PRODUCTS**
Legacy Assurance prides itself on offering high-quality merchandise to its members. We offer a variety of merchandise from some of the most popular casket designs to customizable monuments at a fraction of the cost.

**COST SAVINGS**
Not only are you saving money, but you are locking in the price of the merchandise upon enrollment. Whether that unfortunate day comes this week, next year, or thirty years from now, the price of the merchandise upon your enrollment is LOCKED in for the life of your membership.

**YOUR INSURANCE POLICY CAN PAY FOR IT**
You can assign a portion of your life insurance policy to pay for your plan. It is a revocable assignment and the remaining balance will be left for your beneficiaries. An example of this is if you have a $10,000 policy and you enroll in the Bronze Legacy ($1,500). At the point of death, Legacy Assurance would receive $1,500 (revocable assignment) and the beneficiary(s) would have the remaining $8,500 to pay for other funeral, medical, and miscellaneous costs.

However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

**Areas of Operation**
Legacy Assurance, LLC ("Legacy Assurance") does not offer services or merchandise outside of the United States, and as of May 1 2013, Legacy Assurance only offers services and merchandise in the Areas of Operation as detailed below:
- Concierge Service is available in every state.
- Merchandise sells and ships to zip codes in Georgia, Louisiana, Massachusetts, and Mississippi.

Legacy Assurance is growing into new markets and states every week. For an updated list of licensed and approved states, please visit our website at www.legacy-assurance.com.

**Membership Details**
The Federal Trade Commission ("FTC") requires that funeral homes accept any casket purchased from a third party or outside source, such as Legacy Assurance, without charging additional fees for doing so. Furthermore, FTC regulations require funeral homes to provide an itemized list of costs to be charged for goods and services, which helps prevent hidden charges or handling fees from being added to caskets or vaults purchased from Legacy Assurance.

You may modify your plan, free of cost, at any time prior to the finalization of the purchase and the initiation of shipping procedures. Legacy Assurance Membership may be cancelled upon written notice at any time by either party.

**Shipping**
All merchandise prices include standard shipping. Using standard shipping, caskets and vaults will arrive at the ship-to address within 72 hours after the purchase is finalized and confirmed. Expedited shipping is available upon request, but will incur additional charges based on the location of the ship-to address and the expedited shipping services available. Severe weather conditions or other states of emergency can delay any delivery beyond the normal stated parameters.

Caskets and Vaults will be delivered during normal business hours. If merchandise is delivered to a funeral home, you do not have to be present at the time of delivery. If merchandise is delivered to a location other than a funeral home, the carrier and the recipient must arrange for a delivery appointment, and someone must be present to accept the delivery at the appointed time. Should you choose not to use Legacy Assurance’s concierge services, you are responsible for confirming the funeral home’s shipping address with the funeral home director prior to shipment.

All merchandise will be shipped FOB Thomasville, Georgia. Legacy Assurance’s liability as to delivery ceases, and the title and risk of loss for the merchandise will pass on Legacy Assurance’s delivery of the merchandise to a transportation carrier at the designated shipping point.

**Return Information**
Due to FTC regulations and some state laws and regulations, Legacy Assurance will only accept the return of a casket, vault, or other such merchandise if the product(s) arrives with damage caused by shipping.

If merchandise is freight-damaged upon delivery, Legacy Assurance will not be obligated to issue any refund or replace any merchandise unless the following conditions are met:
- The damage is noted on the shipper’s delivery receipt by the party receiving the merchandise at the ship-to address,
- Legacy Assurance is notified of the damage within four (4) hours of delivery by calling 1-855-548-2721, and
- Legacy Assurance receives photographic evidence of the damage within ten (10) business days of the date of delivery.

**There Is No Scientific Or Other Evidence That Any Casket With A Sealing Device Will Preserve Human Remains.**
